

Where can I purchase tickets? What is the cancellation policy for Sea Safari?

You can buy tickets directly from Sea Safari at our offices, or by contacting us by phone or e-mail. Alternatively you can visit any Dublin Tourism office.

When you make a booking with Sea Safari we take your mobile number and credit card or laser card details to confirm the booking. These cards are not charged unless you instruct us to OR unless you either do not show up to your booking or you cancel your booking on the day of the trip.

It is our policy that all seats booked will be charged on the day of the trip, regardless of how many passengers attend on the day. If you know in advance that your numbers have changed, you can alter the amount of passengers right up until 48 hours before the trip.

If the trip is cancelled by Sea Safari due to unsafe weather conditions there is no charge.
